

We are Agents for Christ, as though God were pleading through us: we beg *you* on Christ's behalf, be reconciled to God. For He made Him who knew no sin *to be* sin for us, that we might become the righteousness of God in Him. 2 Corinthians 5:20-21

## Declaration of Ministry Expenses

Agents for Christ is a non-profit ministry. Our ministry is to fulfill the great commission and to encourage the body of Christ to do the same. The services offered by this ministry are 100% free, we do not charge churches or other organizations that invite us to come and share. We offer our evangelism training classes, Impact seminar, worship, teaching, and street outreach completely free of charge. However, this ministry has many costs associated with it. Because we receive and accept donations, we would like to share more information about the real costs associated with running this full time ministry.

**GAS** – As we all know, the price of gas has gone through the roof this last year. With gas prices around \$2.00 a gallon this is one of our biggest costs. We are a traveling ministry with two RV's and a tow vehicle.

**LODGING** – Most of our lodging will be done at campsites, state parks and similar places. At an average of \$20.00 per night (\$40.00 for 2 sites), this is another major cost for the ministry.

**CELL PHONES** - Communication is a key in planning where we will be and when we will be there as the Lord leads us across the country.

**WIFI** – Our website is a huge part of our ministry. Most of the tracts we pass out have our website on them so people can find out more about Christ, contact us with questions about Christianity, and other questions. It also allows the body of Christ to see what we are doing by means of video, audio, as well as pictures and blogs. Being on the road requires that we have access to the Internet wherever we may be. Praise God for wireless internet!

**OFFICE SUPPLIES** – As with any ministry, there are clerical duties and responsibilities. These duties represent costs such as stamps, letterhead, paper, pens, envelopes, etc.

**TRACTS** – Tracts are the best way to share our faith on the streets. There are all different types we use. Some we make ourselves, some we purchase, some even have a CD included for the youth. No matter what type we use, there is a cost associated with making or buying the tracts.

**Bottom Line:** All of us at Agents for Christ are VERY committed to keeping this ministry 100% free. We have invested thousands of our own dollars and countless hours into this work. On a monthly basis, this ministry also requires thousands of dollars to be operational, and we would be very grateful if you would consider supporting Agents for Christ financially.
